

The Future of the Queen Elizabeth II Playing Field

You may recall that, earlier this year, we consulted residents and user groups on what new facilities they would like to see on the playing field.

The parish council was delighted with the response and the most popular ideas were sent to the designer. The one stipulation we made was that any design plan had to leave room for the Gala to take place.

We have recently received the design plan and now want to consult you on the ideas incorporated into it before it is finalised in December. Once we have the final design plan the parish council will start to raise the money needed.

We will be holding drop in sessions in Catterall Village Hall on Tuesday 17th November from 4pm to 7pm and on Friday 20th November from 4pm to 7pm so please come along and see the plans and ideas for yourself.

Included in the design are:

- A path right round the playing field
- Quiet seated areas
- An orchard
- A community growing area
- A picnic area
- An extended children's playground
- A nature walk
- A sensory walk and garden
- A toddler's play area
- A play area for older children
- A wheeled play area
- Planted areas
- Additional seating
- A fitness trail
- A sand and water play area
- Refurbish the multi use games area
- Refurbish the youth shelter as a community arts project
- Football pitch

For further information please contact the Parish Council at clerk@parishes.org.uk or phone on 01995 600689.
